

TRANSPORT TRAINING

Wanting to book in your next adventure?

Building Choices Home & Community Care has developed a program that focuses on one-on-one training which is specific not only to you, but to the places you want to go. Our professional staff can help you to identify the best and safest route, compiling a book of pictures of the bus, train or tram stop and landmarks along the way. They also go on the trips with you to help build your confidence and plan the best way to get from the stop to the desired location. There is no prerequisite to join this group.
